Knockout

SHOOTING / REBOUNDING / COMPETITION

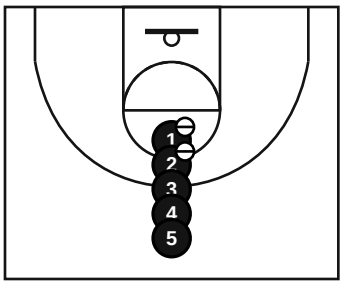
Two shooters race to score, rebound, and return the ball before the trailing shooter makes a basket.

ALL PLAYERS | 2 BALLS | HALF COURT

STEP 1

FORM ONE SHOOTING LINE

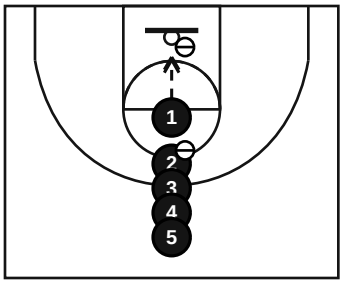
Line up at the free-throw line. The first two players begin with basketballs.



STEP 2

FIRST SHOOTER RELEASES

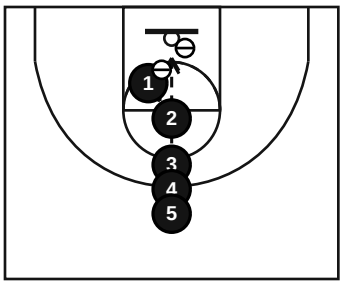
The lead player shoots with correct form and waits until the ball reaches the rim before pursuing it.



STEP 3

SECOND SHOOTER GIVES CHASE

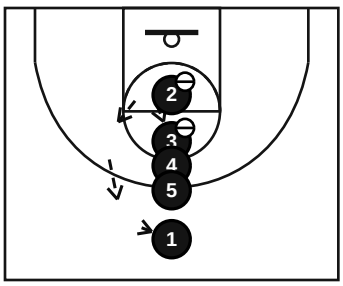
The next player shoots. The lead player rebounds and keeps shooting after a miss while the trailing shooter races to score first.



STEP 4

SCORE, RETURN, AND ROTATE

After scoring, rebound and return the ball to the next player, then join the end of the line. A trailing score knocks out the player ahead.



VARIATION Start the first shot from the wing or three-point line.
