Lane Running Drills

FOOTWORK / MOVEMENT / BALANCE

Four lanes cross the court using a selected running style, then execute controlled stops, pivots, and changes of direction.

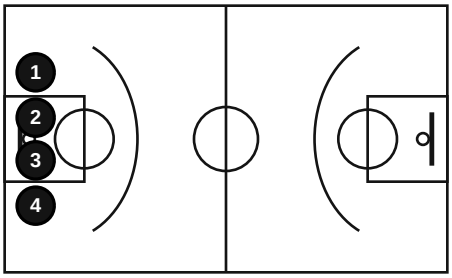
STEP 1

FORM FOUR BASELINE LANES

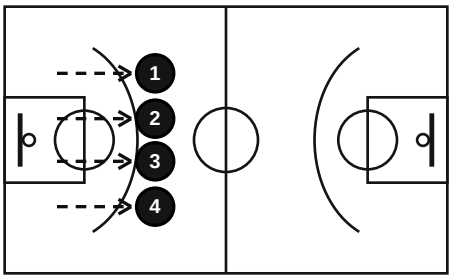
Form four evenly spaced lanes from the baseline. The coach selects the running style and the stop or pivot for the repetition.



STEP 2

RUN WITH CONTROLLED TECHNIQUE

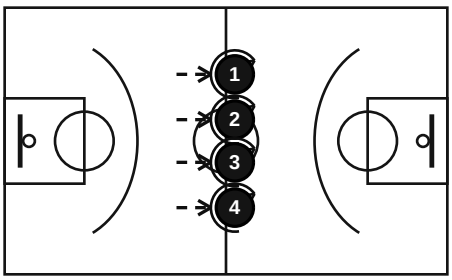
The first player in each lane moves together using a normal jog, high heels, high knees, or grapevine.



STEP 3

STOP AND PIVOT ON COMMAND

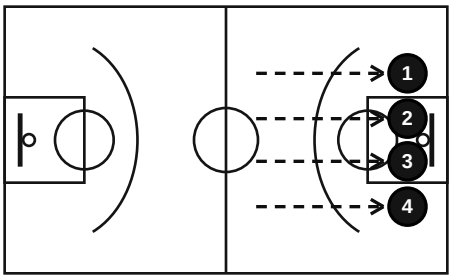
On the line or whistle, execute the selected jump stop, stride stop, forward pivot, reverse pivot, or hesitation step.



STEP 4

FINISH THROUGH THE COURT

Regain balance, push off, and finish through the far baseline while maintaining spacing across all four lanes.



VARIATION Use follow-the-leader with one player choosing each movement.
