Pig In The Middle

PASSING / BALL PRESSURE / DEFLECTIONS

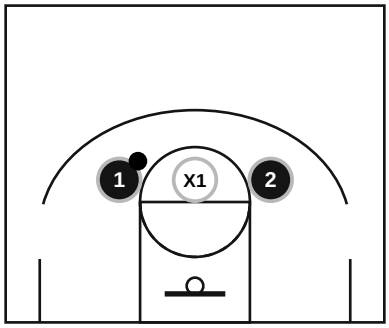
Two passers protect the ball while one defender pressures the ball and attacks the passing lane.

3 PLAYERS | 1 BALL | HALF COURT

STEP 1

SET A THREE-PLAYER GROUP

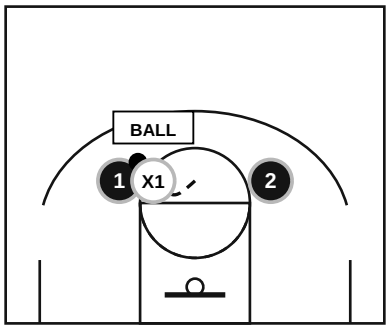
Two passers face each other with one defender between them. Player 1 starts with the ball.



STEP 2

PRESSURE THE BALL

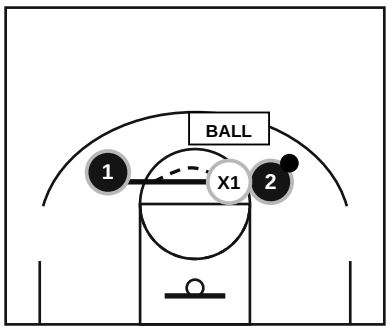
The defender closes aggressively and calls 'ball.' The passer protects the ball and uses a strong pass fake.



STEP 3

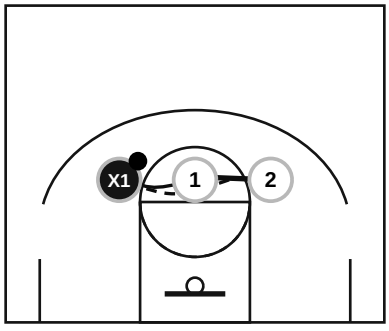
CREATE AND COMPLETE THE PASS

The passer steps into or around pressure. The defender attacks the passing lane, then recovers to pressure the receiver.



STEP 4

DEFLECT AND EXCHANGE ROLES

When the defender touches or intercepts a pass, exchange roles with the passer and continue immediately.


VARIATION Give each passer a three-second limit to release the ball.
